

JHES JUNE BINGO JAM

Hello Jack Hulland families! We have a fun activity to help you finish up the year. This is a bingo contest where you can win a prize pack for your family!

How it works:

- Complete the activities in the squares with your family. If there are multiple students in one family, they each get to enter their own bingo card in the draw.
- For each row you finish, you are entered to win more prizes.
- Some squares might give you a choice of activities. You only have to complete one activity in the square.
- How many rows can you get?

Finish one row – Entered in Prize A

Finish two rows – Entered in Prize A and B

Finish 3 rows – Entered in Prize A, B, and C.

Finish 4 rows – Entered in Prize A, B, C, and D.

Finish 5 rows/Blackout – Entered in Prize A, B, C, D, and the grand prize!

- You can submit your bingo card by emailing a photo or scan to your classroom teacher or return it with your home learning packages to the school.
- June 8th will be the last day the bingo cards can be submitted.

To find more information on some of the activities you can go to the teachers' websites.
